

An architectural rendering of a village center revitalization project. The scene shows a central square with a large, multi-story building with a red roof. To the left, a river flows through a stone bridge. The area is surrounded by various buildings, green spaces with trees, and a paved walkway. The overall atmosphere is bright and modern.

VEŘEJNÉ PROJEDNÁNÍ NÁVRHU REVITALIZACE CENTRA OBCE

**Proběhne dne 23.09.2021 od 18 hodin
